LONG-TERM GOALS

The goal of this publication of this issue of OCEANOGRAPHY is to highlight the achievements of U.S. and Taiwan scientists in their cooperative study of the oceanography of seas surrounding Taiwan. This publication will serve as a resource for others conducting current and future research in this area.

OBJECTIVES

The objective of this publication is to inform and educate readers interested in learning about the oceanography of Taiwan.

APPROACH

Drs. T.Y. Tang (National Taiwan University) and Terri Paluszkiwicz (ONR) served as the guest editors for this issue of *Oceanography*. Dr. Ellen Kappel served as the Editor-in-Chief for this issue. Twelve articles were submitted to the guest editors from members of the community, and were peer reviewed, edited and included in the final publication. The Oceanography Society produced and distributed this issue of *Oceanography* to its members, and library subscribers in the U.S. and internationally.

WORK COMPLETED

Volume 24, No. 4 of *Oceanography* was produced and distributed in December 2011.
