

Amendment 0006

**Broad Agency Announcement (BAA) 10-002
“Multidisciplinary University Research Initiative (MURI)”**

The purpose of this amendment is to revise Section IV entitled, “Application and Submission Information” Section b. entitled, “Grants.gov Full Proposal Submission: Content and Format of Applications”, “Other Attachment (Field 12 on the form)” “Subawards” of Broad Agency Announcement BAA 10-002 “Multidisciplinary University Research Initiative (MURI)” as follows:

Delete:

“Subawards – Provide a description of the work to be performed by the subrecipients. For each subaward, a detailed cost proposal is required to be submitted by the subrecipient(s). Fee/profit is unallowable. The subawardee’s or subrecipient’s cost proposal can be provided in a sealed envelope with the recipient’s cost proposal or via e-mail directly to both the Program Officer and the business point of contact at the same time the prime proposal is submitted. The e-mail should identify the proposal title, the prime Offeror and that the attached proposal is a subcontract. A proposal and supporting documentation must be received and reviewed before the Government can complete its cost analysis of the proposal and enter negotiations”.

Replace with:

“Subawards – Provide a description of the work to be performed by the subrecipients. For each subaward, a detailed cost proposal is required to be submitted by the subrecipient(s). Fee/profit is unallowable”.
