

BAA-07-019  
Amendment 1

1. Is this Broad Agency Announcement a follow-on to a previous BAA or other requirement? If so, can you provide the BAA number, or incumbent contract #/contractor name?

This is a new requirement and there is no incumbent.

2. What is the primary place of performance expected to be?

The primary place of performance shall be at the contractor's and/or its subcontractor's facility although some testing/demonstrations may take place on government facilities.

3. Is this a small business set-aside? Or simply accepting papers and proposals from all size/type organizations?

No, this is not a small business set-aside. As stated in Section III, Eligibility Information, all responsible sources submitting a responsive proposal will be considered by the Government.
