

**Amendment 0005**

**Broad Agency Announcement (BAA) 10-002  
“Multidisciplinary University Research Initiative (MURI)”**

The purpose of this amendment is to incorporate the following language into Section II entitled, “Award Information” of Broad Agency Announcement BAA 10-002 “Multidisciplinary University Research Initiative (MURI)” as follows:

“For the past three years Congress has placed limits on the percentage of facilities and administrative (F&A) costs that can be paid by the government using basic research (6.1) funds. Currently F&A costs paid under contracts and grants for the performance of basic research may not exceed 35 percent. It is unknown at present whether a similar indirect cost restriction will apply to 6.1 funds in FY 2011 or thereafter.
