

## Amendment 0003

### Broad Agency Announcement (BAA) 10-007 Electronic Warfare Technology

The purpose of this amendment is to correct block references for Grants form SF 424 R&R, Application for Federal Assistance, contained in BAA 10-007 entitled, Electronic Warfare Technology.

#### I. References Corrections

1. Under Section IV – APPLICATION AND SUBMISSION INFORMATION, Subsection 5 – Submission of Grant Proposals, fourth paragraph:

##### Delete:

By completing Blocks 18 and 19 of the SF 424 R&R the Grant Applicant is providing the certification on lobbying required by 32 CFR Part 28. Refer to Section VI, ‘Award Administration Information’ entitled “Certifications” for further information.

##### Replace with:

By completing Block 17 of the SF 424 R&R the Grant Applicant is providing the certification on lobbying required by 32 CFR Part 28. Refer to Section VI, ‘Award Administration Information’ entitled “Certifications” for further information.

2. Under Section VI – AWARD ADMINISTRATION, Subsection 1 – Administration Requirements, paragraph entitled Grants:

##### Delete:

Grant awards greater than \$100,000 require a certification of compliance with a national policy mandate concerning lobbying. Grant applicants shall provide this certification by electronic submission of SF424 (R&R) as a part of the electronic proposal submitted via [Grants.gov](https://www.grants.gov) (complete Blocks 18 and 19); The following certification applies to each applicant seeking federal assistance funds exceeding \$100,000:

##### Replace with:

Grant awards greater than \$100,000 require a certification of compliance with a national policy mandate concerning lobbying. Grant applicants shall provide this certification by electronic submission of SF424 (R&R) as a part of the electronic proposal submitted via [Grants.gov](https://www.grants.gov) (complete Block 17); The following certification applies to each applicant seeking federal assistance funds exceeding \$100,000:
