

**POSTED ANNOUNCEMENT  
N00014-10-Q-0006**

The Office of Naval Research (ONR) Naval Air Warfare and Weapons Department (Code 35) requires professional facilitation services to lead a two day strategic planning workshop in Washington Capital region. This offsite will be held during the third quarter of FY10, specific dates, times, and location to be determined. The facilitator shall design an agenda and facilitate a 2-1/2 day event for up to 30 participants. The facilitator shall provide any materials pertinent to workshop discussions. General office supplies and audio-visual equipment will be provided. The host facility will be determined at a later date, and is planned to be held in the National Capital Area.

This work is set aside exclusively for small businesses.

This notice will be posted from 3-Mar-2010 through 9-Mar-2010. Quotations and or questions should be directed to:
