The Office of Naval Research (ONR) is holding an Industry Day to discuss technology for energy dense air-independent, rechargeable/refuelable energy systems for long duration unmanned undersea vehicles (UUVs).

The Industry Day will focus on discussion of Navy UUV energy challenges, and other details related to the forthcoming BAAs for this topic.

Registration will close at 4:00 PM Eastern Standard Time on Friday, 21 January 2011. Pre-Registration is required. Walk-ins will **not** be permitted. Registration is limited to two (2) representatives from each organization attending the Industry Day, however if requested attendance exceeds the capacity of the conference room, it may be necessary to further limit attendance of personnel from each organization to just one (1) and organizations will be so notified. ONR will reply via e-mail with the registration confirmation. All expenses associated with attendance will be the responsibility of the participant(s).

Questions/comments related to the UUV Energy Industry Day will be accepted via e-mail from February 8, 2011 to February 11, 2011. The limited time frame for questions/comments is to allow for potential feedback to be incorporated into any resulting BAAs.

Submit questions/comments to the following e-mail address:

IndustryDayQuestionsUUV_Energy@onr.navy.mil

Questions/comments shall be reviewed and will be addressed within the resulting BAAs.
