

Pre-solicitation Notice: N00014-15-R-SS22

Description: NOTICE OF INTENT TO SOLICIT FROM A SINGLE SOURCE

The Office of Naval Research (ONR) intends to issue a Firm Fixed Price award under the authority of FAR 13.106-1(b) "Contracting officers may solicit from one source if the contracting officer determines that the circumstances of the contract action deem only one source reasonably available," on or about 06 September 2015 to Research Analysis and Engineering, LLC (Contractor). The period of performance will likely be from 01 October 2015 through 31 January 2016. The estimated award value is \$80,000.00.

The prospective contractor shall investigate and assess approaches to the development of technologies with disruptive potential. Address methods for identifying appropriate disruptive technology development efforts, establishing appropriate metrics, evaluation of disruptive potential, and the likely value of disruptive technology options. As well as address a means for coordination of technology and operational process (e.g. CONOPS) development.

ONR intends to award this requirement as a sole source to Research Analysis and Engineering, LLC. Research Analysis and Engineering, LLC has a unique and thorough understanding of the complexity of the issue of disruptive Technology development and execution.

The North American Industry Classification System (NAICS) code for this requirement is 541712. This notice of intent is not a request for proposals or quotes; however, all responsible sources may submit a quotation and technical capabilities, which, if received within fifteen calendar days of publication of this notice, shall be considered by ONR. All responses must be submitted to the Government point of contact at the email address shown below. A determination by the Government not to open the requirement to competition based upon the responses to this notice is solely within the discretion of the Government.
