

Description: NOTICE OF INTENT TO AWARD A SOLE SOURCE

The Office of Naval Research, Arlington, VA intends to enter into a Purchase Order with National Institute of Aerospace Associates (NIAA). The objective of this effort is to develop 13 video vignettes of ONR program officers, or their principle investigators, for use in support of ONR goals for education outreach through the Science, Technology, Engineering & Mathematics (STEM) program. The vendor will provide ONR with a series of thirteen, 45-90 second video vignettes describing selected ONR supported research and showing Naval relevance and connections to STEM education. The value of the purchase order is under \$15,000. A five (5) month period of performance is anticipated. In accordance with FAR 13.106-1(b) the contracting officer has determined that the circumstances of the contract action deem only one source reasonable available, based on the knowledge, media resources, and experience NIAA possesses, to include extensive experience with the K-12 STEM program and established program and partnerships focused on national and regional educational outreach projects for the next generation of scientists and engineers.

This notice of intent is not a request for competitive proposals; however, all responsible sources may submit a capability statement, proposal, or quotation which, if received within ten calendar days of publication of this notice, shall be considered by ONR. This purchase will be made using the policies and procedures of FAR Part 13 as authorized under FAR 13.106-1(b). The anticipated award date is October 15, 2011.
