   The only method by which this Grant can be modified is by a formal, written modification signed by the Administrative Grants Officer (AGO) at the Administrative Office in Block 23a or the Awarding Office in Block 22 of the Award/Modification document. No other communications, whether oral or in writing, shall modify this Grant.

   (b) Support for the project may not continue without the active direction of the Symposium Recipient Technical Manager approved for, and identified in, this Grant. If the approved Symposium Recipient Technical Manager severs his or her connection with the Grantee or otherwise relinquishes active direction of the project either permanently or for a significant length of time (three months or more), the Grantee must either:
      
      (1) Appoint a replacement Symposium Recipient Technical Manager with the approval of the Program Officer in Block 21 of the Award/Modification document through the AGO at the Administrative Office in Block 23a of the Award/Modification document, or

In other cases, where a request is outside of one or more of the parameters, a no funds extension can only be approved with the concurrence of the ONR Program Officer. For the no funds extension to be effective, a written grant modification must be issued and signed by the AGO at the Administrative Office in Block 23a or the Awarding Office in Block 22 of the Award/Modification document.
