

**Amendment No. 0004 to BAA #07-021**  
**“Globally Networked Maritime Headquarters with Maritime Operations Center”**

The purpose of Amendment 0004 is to provide additional information regarding BAA#07-021 as follows:

1. Paragraph 1, under Section IV entitled, **APPLICATION AND SUBMISSION INFORMATION** the following information regarding Full Proposals shall be revised in response to BAA 07-021.

**Question:** In the original BAA, page 16, 7th bullet in the Full Proposal Format section; Volume I – **Technical Proposal** states there are limitations to no more than 30 pages. The sentence mentions that the executive summary and resumes are excluded from the page count. However, on page 17 under the Full Proposal Content section, there is no reference to the executive summary and/or resume’s in the section. Will the executive summary and resumes be required for the Full Proposal and counted towards the 30-page limitations?

**Answer:** The executive summary and resumes are required; and excluded from the page count limitations.
