

Amendment 0002 to BAA #07-026
“Technology for FORCEnet Science and Technology (S&T) - Large Tactical Sensor Networks II”

1. Paragraph 5 of Section I is replaced with the following:

5. Response Date -

White Papers:	12 June 2007
Oral Presentations:	6 Aug 2007-10 Aug 2007
Full Proposals:	21 September 2007

2. Paragraph 1 (B) of Section IV is replaced with the following:

(B) Oral Presentations: Oral presentations are tentatively planned for 6 Aug – 10 August, 2007. The Office of Naval Research will schedule an oral presentation for those offerors who have been notified by e-mail that their white paper technologies appear to be of “particular value” to the Navy. Any offeror whose white paper was not determined to be of “particular value” to the Navy can contact the Program Officer (see paragraph 7) to arrange to make an oral presentation along with the other scheduled offerors.

A detailed format for the presentation will be provided in the e-mail invitation. Each presentation will be no longer than thirty (30) minutes in duration. An additional ten (10) minutes will be allowed for questions (if any) from the panel of government reviewers. Those offerors whose technology is still considered as having “particular value” to the Navy and Marine Corps will be encouraged to submit detailed technical and cost proposals. However, such encouragement after oral presentations does not assure a subsequent award. The Office of Naval Research will not reimburse travel costs and time for potential bidders to brief their proposals.

Oral presentations may be classified if the technology is sensitive and not releasable as unclassified or FOUO. Prior coordination with ONR’s Program Office is required to present a classified presentation.

3. Paragraph 3 of Section IV is replaced with the following:
