

Amendment Number 0001

Office of Naval Research Broad Agency Announcement 07-036
"Multidisciplinary University Research Initiative (MURI)"

The purpose of Amendment Number 0001 is to provide clarification regarding MURI Topic numbers 1 and 9 and to incorporate additional contact information under MURI Topic number 11 paragraph entitled, "Research Topic Chiefs".

Clarification: MURI Topic numbers 1 and 9, both entitled, "A 21st Century Approach to Electronic Device Reliability", are intended to be the same topic. The submission appears in both the Office of Naval Research (ONR) and Air Force Office of Scientific Research (AFOSR) lists to underscore that this is a joint ONR/AFOSR effort. No distinction will be made among white papers submitted to ONR or to AFOSR. The submissions will be collected and jointly reviewed by the ONR and AFOSR topic chiefs.

MURI Topic Number 11, Page 37: Paragraph entitled, "Research Topic Chiefs" is deleted in its entirety and revised to read as follows:

"Research Topic Chiefs: Major Jennifer Gresham, AFOSR, 703-696-7787, jennifer.gresham@afosr.af.mil ; Dr. Joan Fuller, AFOSR, **703-696-7236**, joan.fuller@afosr.af.mil ; Dr. Robert Mantz, ARO, 919-549-4309, robert.a.mantz@us.army.mil"
