

Amendment No. 0001 to BAA 08-009

**“Automated Image Understanding and
Information Integration Applied Research”**

The purpose of Amendment 0001 is to provide answers to questions received in response to BAA 08-009.

Question #1: If an offeror has developed technology under a “Restricted Rights” License and would like to submit a White Paper under BAA 08-009, is it possible?

Answer #1: An offeror may submit a White Paper if they have developed technology under a Restricted Rights License. See paragraph 2(b) of Section IV entitled, “APPLICATION AND SUBMISSION INFORMATION” under Full Proposal Content.

Question #2: What is the due date for the submission of White Papers?

Answer #2: The submissions of White Papers are due 17 April 2008.

Question #3: If a Canadian Government organization is interested in submitting a proposal in partnership with a U.S. University, could this be a teaming arrangement?

Answer #3: In accordance with Section III entitled, “ELIGIBILITY INFORMATION”, “All responsible sources from academia and industry may submit proposals under this BAA. Historically Black Colleges and Universities (HBCUs) and Minority Institutions (MIs) are encouraged to submit proposals and join others in submitting proposals.”

Question #4: If White Papers/ Proposal Submissions are hand carried to the Office of Naval Research, could contact names and telephone numbers be provided?

Answer #4: The contact names and telephone numbers for hand carried for White Papers and Full Proposal submission is provided below.

Gary Toth - (703)-696-4961
Wendy Martinez - (703)-696-4320
Rebecca Messer - (703)-696-0124(Alternate)
Maria Tiglao - (703)-696-0130 (Alternate)
