

Amendment 0002
BAA 08-013 titled “100 kW FEL”

The purpose of Amendment 0002 is to answer FAQ’s regarding BAA 08-13.

Q: Are there two rounds of Questions and answers? Is one round for the White Paper and the second for the Full Proposal?

A: No, the Q&A relate to Technical and Administrative issues connected to the BAA. The correct deadline is 25-July-2008. There is no first and second round.

Q: What is the anticipated location for the ONR Industry Day sessions?

A: There will be an amendment on the ONR BAA website posted at a later date.

Q: To what extent are conversations with ONR during the Q&A period made public?

A: Written questions only. However, ONR will ask that any questions asked over the phone be repeated in e-mail form.

Q: Where is Appendix A?

A: Appendix A will be distributed at the Closed Session of Industry Day.

Q: May a respondent hand-deliver the white paper and proposal?

A: Yes, in accordance with the terms and conditions listed in the BAA.

Q: What are the guidelines and requirements for content of the Oral Presentations of the White Papers?

A: A schedule will be sent indicating presentation time limitations. Content of Oral Presentation is limited to what has already appeared in the White Paper ONLY, with nothing additional or supplementary.

Q: What are the guidelines and requirements for delivery of the Oral Presentations of the White Papers?

A: Oral presentations are expected to be supported by visual aids, and are at the discretion of the bidder, while satisfying time limitations.

Q: What is the date by which ONR must receive the Oral Presentations of the White Papers?

A: Materials are due the day of the scheduled presentation with due regard for administrative needs such as data loading, etc.

Q: What guidelines should a respondent follow to assess page count when photographs/drawings/graphs are excluded from the page limitations?

A: If embedded in a page displaying text, then space for text will be lost, and that page will be included in the page count. If appearing as an attachment, or on a page by itself, the photograph/drawing/graph will be excluded from the page count.

Q: Will the threshold set of ten questions composed by the Technical Evaluation Team to evaluate the proposals be provided to offerors?

A: No.

Q: Will ONR continue basic Science Funding for FEL?

A: TBD by ONR executive management.

Q: Will Industry be permitted to present at Industry Day?

A: No.
