

Amendment 0004
BAA 09-007 titled “Basic Research in Rotorcraft Technology”

The purpose of Amendment 0004 to BAA 09-007 is to modify the anticipated schedule of events, Section 4.3.

Accordingly, Section 4.3 is revised as follows (changes in **bold**):

Event	Date	Time (Eastern)
White Paper Due Date	12 December 2008	3 PM
Notification of Evaluations of White Papers *	27 January 2009	N/A
Last Day for Questions on Full Proposal	16 February 2009	3PM
Full Proposal Due Date	20 February 2009	3 PM
Proposal Evaluations Complete *	23 March 2009	N/A

* Estimated dates

NOTE: Due to changes in security procedures since September 11, 2001, the time required for hard-copy written materials and electronic media to be received at the Office of Naval Research has increased. Thus it is recommended that any hard-copy proposal be mailed several days before the deadline established in the solicitation so that it will not be received late and thus be ineligible for award consideration.

ANY OTHER REFERENCES IN THE BAA TO THESE EVENTS ARE CONSIDERED TO BE IN ACCORDANCE WITH THE REVISED TABLE ABOVE.
