Full Proposals are due no later than 2:00 PM Eastern Daylight Time on July 23, 2010. The submitters of proposals judged to be of "particular value" to the Navy will be identified in the initial response provided by ONR and encouraged to make oral presentations of their proposals on August 23, 2010. The submitters of any proposals not judged by the ONR reviewers as being of "particular value" to the Navy are ineligible to make an oral presentation or submit a revised full proposal under this solicitation. Questions regarding oral presentations and submission of revised full proposals must be submitted at least one week before the presentation/proposal due date. Proposals shall be submitted directly to the Technical Points of Contract (TPOCs).

Following the oral presentations, the submitters will again receive written notice from ONR on August 30, 2010 as to whether the proposed research is still judged to be of particular value to the Department of the Navy. The submitters of proposals and oral presentations still judged to be of “particular value” to the Navy will be asked to submit a revised full proposal by September 7, 2010. Any oral presenter’s proposal subsequently judged to not be of “particular value” to the Navy is ineligible to submit a revised full proposal under this solicitation. Any revised full proposal submitted can range from either a complete new proposal to simply a timely email notifying the Government that the original proposal as submitted is reaffirmed.

“White Papers” are not desired for this solicitation.
