

Amendment 0001
Solicitation Number: ONR BAA 11-004
“Navigation and Timekeeping Technology”

The purpose of this Amendment is to extend the due date and time for submission of proposals due to the possibility of a government shut-down, and to change the primary Business Point of Contact.

1. The due date for full proposals shown in Sections I.5 is revised as follows:

“I.5. Response Date –

Full Proposals: 2:00 PM two (2) days after the government re-opens. If the Office of Naval Research (ONR) does not shut-down full proposals will be due by 2:00 PM Eastern Local Time on 11 April 2011”

2. The Primary Business Point of Contact shown in section 7 is revised as follows:

Primary Business Point of Contact:
