

**Amendment 0001**  
**BAA 11-027 entitled “Navigation and Timekeeping Technology”**

The purpose of Amendment 0001 to this BAA is to provide the following notification to offerors intending to submit a full proposal via USPS:

Recent storms in the southwestern United States are affecting the timeliness of USPS services in those areas. Offerors based in these areas that intend to submit full proposals in accordance with the instructions and deadline in BAA 11-027 are advised that proposals postmarked by Wednesday, April 04, 2012 but received after the 2:00 deadline on April 5, 2012 will NOT be considered late in the event that receipt of the proposal package is delayed due to these circumstances.
