

Amendment 0005
Solicitation Number ONRBAA 12-018
“USV Payloads for Single Sortie Detect to Engage (SS-DTE) Mine Counter Measures”
Date 12 OCT 2012

The purpose of Amendment 0005 is to revise dates in the BAA and provide separate dates for tasks 1-2 and 3-8.

BAA12-018 is hereby amended as follows:

1. Section I, Paragraph 5 entitled, “Response Date” is revised to read as follows:

5. Response Date –

White Papers: 9/13/2012

Full Proposals (Tasks 1-2): 5/10/2013

Full Proposals (Tasks 3-8): 12/14/2012

2. Section IV, Paragraph 1 entitled, “Application and Submission Process” is revised to read as follows:

1. Application and Submission Process - White Paper, Full Proposals

White Papers: The due date for white papers is no later than 4:00 PM (EDT) on Thursday, 13 September 2012. White papers are to be submitted in the format described below to the following web dropbox (select Dr Swean as program manager):

<http://onroutside.onr.navy.mil/ASPPProcessor/annual321oe/>

In addition, please email all submissions to:

john.dudinsky@navy.mil

If an Offeror would prefer to not send the white paper via email, then the Offeror shall send an email (without the white paper attached) to the above address confirming the white paper has been submitted through the web dropbox.

If an Offeror does not submit a white paper before the specified due date and time, it is not eligible to participate in the remaining Full Proposal submission process and is not eligible for funding. Each white paper should state that it is submitted in response to this BAA and cite the particular sub-section (task) of the Research Opportunity Description that the white paper is primarily addressing.

The Future Naval Capabilities team will evaluate each white paper and indicate in its email response to the proposer whether a full proposal would appear to have a high or low probability of success if submitted. The Government may provide recommendations related to contract structure (e.g., options) when providing results of White Paper Review. Submission of a full proposal will be either encouraged or discouraged; however, a full proposal may be submitted by a proposer, even if its white paper was not well received, and it will receive full consideration.

White Paper Evaluation/Notification: Navy evaluations of white papers **for tasks 1-2** will be issued via

email notification on or about **29 March 2013** and tasks 3-8 will be issued via email notification on or about **30 OCT 2012**.

Full Proposals: The due date and time for receipt of Full Proposals **for tasks 1-2** is no later than **10 May 2013, 4:00 PM EST** and **tasks 3-8** is no later than **14 December 2012, 4:00PM EST**. It is anticipated that the final selections **for tasks 1-2** will be made on or about **7 June 2013** and **tasks 3-8** will be made **on or about 31 January 2013**. As soon as the final full proposal evaluation process is completed, each PI will be notified via email of the project's selection or non-selection for FY13 funding. Full proposals received after the published due date and time will not be considered for funding, except as may be allowed under the "Submission of Late Proposals" clause below.

3. Section IV, Paragraph 3 entitled, "Significant Dates and Times" is revised to read as follows:

3. Significant Dates and Times –

Tasks 1-2

Event	Date	Time
White Paper Due Date	9/13/2012	4:00 PM Eastern Daylight Time
Notification of White Paper Evaluation*	3/29/2013	
Full Proposal Due Date	5/10/2013	4:00 PM Eastern Standard Time
Notification of Selection: Full Proposals*	6/7/2013	
Awards*	12/7/2013	

**These dates are estimates as of the date of this announcement.*

Tasks 3-8

Event	Date	Time
White Paper Due Date	9/13/2012	4:00 PM Eastern Daylight Time
Notification of White Paper Evaluation*	10/30/2012	
Full Proposal Due Date	12/14/2012	4:00 PM Eastern Standard Time
Notification of Selection: Full Proposals*	1/31/2013	
Awards*	7/31/2013	

**These dates are estimates as of the date of this announcement.*

NOTE: Due to changes in security procedures since September 11, 2001, the time required for hard-copy written materials to be received at the Office of Naval Research has increased. Materials submitted through the U.S. Postal Service, for example, may take seven days or more to be received, even when sent by Express Mail. Thus any hard-copy proposal should be submitted long enough before the deadline established in the solicitation so that it will not be received late and thus be ineligible for award consideration.
