

**N00014-17-S-B010 Late-stage Software Customization and Complexity  
Reduction S&T for Legacy Naval Systems  
Amendment 0002**

The purpose of Amendment 0002 to BAA N00014-17-S-B010 is to amend the Industry Day information in the BAA.

**1. The BAA is hereby amended as follows:**

A.) Page 12, Part IV, Section A - Replace the 'Pre-proposal Conference/Industry Day' section with the following:

"Due to inclement weather, the ONR Total Platform Cyber Protection Program unclassified briefing for potential offerors previously scheduled for 14 March 2017 at George Mason University, Founder's Hall, has been rescheduled for the 28 March 2017. The briefing will be held at George Mason University, Founder's Hall, 3351 Fairfax Drive, Room 134 (First Floor), Arlington, VA 22201 at 1:00 PM (Local Time, Washington, D.C.) with check-in beginning at 12:00 PM (Local Time, Washington, D.C.). Attendees who registered for the 14 MAR 2017 briefing remain pre-registered for the 28 MAR 2017 briefing. Any attendees not previously registered, must pre-register at <https://www.onlineregistrationcenter.com/Platformcyberindustryday2017>. Registration will close on 24 March 2017 at 2:00 PM (Local Time, Washington, D.C.) or when capacity is reached. Onsite registrations will NOT be accepted and photo identification will be verified upon check-in. Media is not authorized to attend this event. Space is limited and restrictions may be placed on multiple registration requests from the same organization."

**2. All other terms and conditions remain unchanged.**
