

**ONR BAA Announcement # N00014-20-S-B003  
Amendment 0001**

**Low Observable / No Collateral Damage Neutralization of Underwater Mines  
and Waterborne Improvised Explosive Devices**

The purposes of Amendment 0001 to BAA N00014-20-S-B003 are to:

**1. Answer the following question:**

Q – The BAA lists Brian Almquist as POC, Division Code 32. However, the POC Code Entry (item 6) in the cover sheet template lists Codes 321 and 322 with no option for Code 32. Which code should be used?

A – When selecting the POC Code Entry on the proposal cover sheet, please select Code 321.

**2. Upload the BAA .pdf document to FedConnect**

The BAA document was not uploaded to FedConnect when the announcement was posted to beta.SAM and the ONR website on 15 July 2020. The BAA document shall be uploaded to FedConnect along with this amendment.

**All other BAA requirements remain unchanged.**
