REQUEST FOR INFORMATION 12-RFI-0005

Office of Naval research, Air Warfare and Naval Weapons Applications Division Future Naval

Capability Survey of Industry Science and Technology Investments

Amendment 1

25 April 2012

The purpose of this Amendment is to provide a copy of the PowerPoint Quad Chart for presentation information associated with the 27 April 2012 Industry Day.

Questions/Technical Point of Contact:

Ken Heeke
Code 35 FNC Team Lead
Air Warfare and Naval Weapons Applications Division
Code 352
875 N. Randolph St., Arlington, VA 22203
kenneth.heeke@navy.mil

Or:

Roger Sullivan
Program Officer
Air Warfare and Naval Weapons Applications Division
Code 352
875 N. Randolph St., Arlington, VA 22203
roger.sullivan@navy.mil

Quad Template

(Replace above title with name of candidate technology.)

Revolutionary Research . . . Relevant Results

Technical Description:

Include:
- *Succinct / comprehensible <u>description</u> of the S&T content and <u>purpose</u> for technology to be delivered*
- *Estimated Start and End TRLs*
- *Characterization of overall technical risk*
- *Number of years for development (3-5)*
- *ROM Total Cost*
- *D&I/S&T program on which the FNC proposal would be based (if known)*

Technical Point of Contact:

Include: Name(s) / Organization / Telephone / Email

FNC Gap(s): *Based on Gov't brief, the proposed technology addresses which Gap(s)?*

All Gap information requires special handling in addition to requirements of classification guidelines:
- *Unclassified Gap numbers and titles require NIPERnet encryption.*
- *If unable to comply with encryption, please leave Gap blank and contact us.*

Technology Driver:
- *Identify (as applicable):*
- *Fleet / Force capability need.*
- *If Roadmap requirement exists, so state.*

Operational Impact / Benefit to Warfighter:

Identify (as applicable):
- *New Capabilities Delivered*
- *Improvements in Current Performance*

Try to capture:
- *Cost Savings / Bang for the Buck*
- *Military Utility*

Transition Target Acquisition Program(s):

Identify to the extent possible:
- *Name of Target Acquisition Program of Record, or*
- *Name of Target New Start Acquisition Program*
- *Program Office and Program POC (name / telephone / email)*
