

**Request for Quote (RFQ) N00014-10-Q-0021 – “Remedy CAC Enablement”  
Amendment Number 0001**

The purpose of Amendment 0001 is to answer the following question:

Question: Is the requirement specifically and necessarily for a Right Star Systems product or could it be another product that provides the same integration?

Answer: It does not have to be a Right Star Systems product but it must be Commercial Off-the-Shelf CAC Enabled solution with no customization required.
