

Sole Source Notice 13-SS-0019

Description: NOTICE OF INTENT TO AWARD A SOLE SOURCE

The Office of Naval Research (ONR) intends to issue a firm-fixed-price purchase order to a single source as there is only one responsible source and no other supplies or services will satisfy agency requirements. Specifically, ONR intends to issue a purchase order to Access Intelligence to procure a subscription to Defense Daily Network (www.defensedaily.com). The period of performance will be for a base year with two one-year option periods.

The Defense Daily Network subscription provides an invaluable source of daily news about current Navy and Marine Corps Science and Technology. It also provides substantial coverage of the Office of Naval Research and its projects and is highly desirable to maintain awareness of Scientific and Technical advances taking place in the Navy and Marine Corps as a whole. In-depth coverage in these areas has not been found in another daily news source.

The North American Industry Classification System (NAICS) code for this requirement is 519130 with a size standard of 500 employees.

This notice of intent is not a request for proposals or quotes. However, all proposals/quotes from responsible sources received within ten (10) days after date of publication of this synopsis will be considered by the Government. All responses must be submitted to the Government point of contact at the email address shown below. A determination by the Government not to open the requirement to competition based upon the responses to this notice is solely within the discretion of the Government.
