The Contractor shall perform all tasks required to transfer critical information to the Government. The Contractor shall provide, and if necessary, develop documentation to maintain the NOPP website, wikisites, and existing social media (e.g. Twitter, Facebook). In addition, the Contractor shall retain the NOPP website on its server for subsequent domain transfer as directed by the Government.

ONR intends to award this requirement to the Consortium for Ocean Leadership because it is the only source reasonably available to perform this work. The Consortium is the repository of the documents and other required information and hosts the NOPP website on its server.
