**Amendment 0001
Special Notice N00014-19-S-SN04
Office of Naval Research
Task Force Ocean**

The purpose of Amendment 0001 is to provide revised instructions for the submission of **Full Proposals for Grants** only. Within www.grants.gov , applicants shall use BAA **N00014-19-S-B001** as the opportunity number instead of BAA N00014-18-S-B001. This change is to facilitate submission of grant applications due to the closing of the 2018 BAA number in www.grants.gov. The remaining specific grant instructions in BAA N00014-18-S-B001 apply.

ALL OTHER REQUIREMENTS REMAIN UNCHANGED.
