Industry Day Announcement:
Electromagnetic Maneuver Warfare Resource Allocation Management
(EMW RAM) Future Naval Capability (FNC) Program

The Office of Naval Research EMW RAM Science & Technology Manager will hold a classified Industry Day at the SECRET//REL USA/Foreign Government level for potential offerors under the Office of Naval Research Long-Range Broad Agency Announcement N00014-19-S-B001 on Tuesday, August 6, 2019. The purpose of this meeting is to provide a better understanding of the scope of the ONR EMW RAM FNC Program. The briefing will be held in the Bobby Junker Executive Conference Center (BJECC) on the 14th floor at the Office of Naval Research, 875 N. Randolph Street, Arlington, VA 22203. Check-in is from 08:00 – 08:45 AM Eastern Daylight Time (EDT). Briefing & Questions are from 08:45 AM – 01:00 PM EDT.

ADVANCED REGISTRATION IS REQUIRED, WALK-IN REGISTRATION WILL NOT BE PERMITTED

All attendees are required to register by 5:00 PM EDT on Wednesday, July 31, 2019. Please see the registration website below:

<https://www.onlineregistrationcenter.com/EMWRAMindustryday>

There is a limit of five (5) attendees per business unit, per company. If requested attendance exceeds capacity, it may be necessary to limit attendance and individuals will be notified.

Hard copy printouts of classified briefing material **WILL NOT** be provided during the Industry Day. Classified note taking is **NOT** permitted.

This Special Notice will be amended prior to 31 July 2019 informing all potential offerors of the timeline for submission of solutions and areas of concentrated research to the EMW RAM Program.
