

Amendment Number 0002

Broad Agency Announcement Number (BAA) 10-018

**Dynamic Command and Control (C2) for Tactical Forces
and Maritime Operations Center (MOC) FORCEnet Enabling Capability**

The purpose of this amendment is to provide instructions for accessing the SHAREII web-site and the Architecture Description Document (ADD).

As stated in paragraph one of Section III entitled "Eligibility Information", "Proposals under this BAA will only be considered from those Offerors that a SECRET facility clearance with SECRET safeguarding, since any ensuring contract will require access to and storage of classified information."

The document reference on page 3 of BAA 10-018 entitled "Surface Navy Combat Systems Software Product Line Architecture, Architecture Description Document (ADD), Version 1.0. PEO-IWS, 31 July 2009" can be accessed at the SHARE II web-site. Please note that ADD dissemination is controlled by Distribution Statement D: *Distribution authorized to DoD and DoD contractors only. Critical Technology (7/31/2009)*.

Only those Offerors who have a SECRET facility clearance with SECRET safeguarding capability will be able to access the "Surface Navy Combat Systems Software Product Line Architecture, Architecture Description Document (ADD)".

The following instructions provide guidance for qualified individuals to register on the SHARE II site and access the ADD.

To Register: <https://nserc.navy.mil/>

Select **SYSCOMS->NAVSEA->SHARE** from the main tool bar;

Select "**Register**" from SHARE II Home Page;

Where appropriate, identify:

"NAVSEA" as the Major Command

"SHARE" as the Program

"OA SHARE" as the Sponsor,

"PEO-IWS1" as the Organization

"dlgr_nswc_share@navy.mil" as the Sponsor E-mail

"202-781-2176" as the Sponsor Phone

"Access to PEO-IWS' Architecture Description Document (ADD) in support of ONR BAA 10-018" as the Rationale

-OR-

You may be required to select "**Getting Started**" to first register for a NSERC account.

User Accounts and Access: Help Desk (540) 653-2979
