

Amendment 0001
Solicitation Number ONRBAA 12-018
“USV Payloads for Single Sortie Detect to Engage (SS-DTE) Mine Counter Measures”
Date 27 JUL 2012

The purpose of Amendment 0001 is to revise dates in the BAA.

BAA12-018 is hereby amended as follows:

1. Section I, Paragraph 5 entitled, “Response Date” is revised to read as follows:

5. Response Date –

White Papers: 9/13/2012
Full Proposals: **11/29/2012**

2. Section IV, Paragraph 1 entitled, “Application and Submission Process” is revised to read as follows:

1. Application and Submission Process - White Paper, Full Proposals

White Papers: The due date for white papers is no later than 4:00 PM (EDT) on **Thursday, 13 September 2012**. White papers are to be submitted in the format described below to the following web dropbox (select Dr Swean as program manager).:

<http://onroutside.onr.navy.mil/ASPPProcessor/annual321oe/>

In addition, please email all submissions to:

john.dudinsky@navy.mil

If an Offeror does not submit a white paper before the specified due date and time, it is not eligible to participate in the remaining Full Proposal submission process and is not eligible for funding. Each white paper should state that it is submitted in response to this BAA and cite the particular sub-section (task) of the Research Opportunity Description that the white paper is primarily addressing.

The Future Naval Capabilities team will evaluate each white paper and indicate in its email response to the proposer whether a full proposal would appear to have a high or low probability of success if submitted. The Government may provide recommendations related to contract structure (e.g., options) when providing results of White Paper Review. Submission of a full proposal will be either encouraged or discouraged; however, a full proposal may be submitted by a proposer, even if its white paper was not well received, and it will receive full consideration.

White Paper Evaluation/Notification: Navy evaluations of white papers will be issued via email notification on or about **15 October 2012**.

Full Proposals: The due date and time for receipt of Full Proposals is no later than **29 November 2012**, 4:00 PM EST. It is anticipated that the final selections will be made on or about **4 January 2013**. As soon as the final full proposal evaluation process is completed, each PI will be notified via email of the project's selection or non-selection for FY13 funding. Full proposals received after the published due date and time will not be considered for funding, except as may be allowed under the “Submission of Late Proposals” clause below.

3. Section IV, Paragraph 3 entitled, “Significant Dates and Times” is revised to read as follows:

3. Significant Dates and Times –

| Event | Date | Time |
|--|-------------------|-------------------------------|
| White Paper Due Date | 9/13/2012 | 4:00 PM Eastern Daylight Time |
| Notification of White Paper Evaluation* | 10/15/2012 | |
| Full Proposal Due Date | 11/29/2012 | 4:00 PM Eastern Standard Time |
| Notification of Selection: Full Proposals* | 1/4/2013 | |
| Awards* | 7/4/2013 | |

**These dates are estimates as of the date of this announcement.*

NOTE: Due to changes in security procedures since September 11, 2001, the time required for hard-copy written materials to be received at the Office of Naval Research has increased. Materials submitted through the U.S. Postal Service, for example, may take seven days or more to be received, even when sent by Express Mail. Thus any hard-copy proposal should be submitted long enough before the deadline established in the solicitation so that it will not be received late and thus be ineligible for award consideration.
