"Young Investigator Program"
Amendment Number 0001

The purpose of Amendment 0001 to BAA ONRBAA13-003 entitled, "Young Investigator Program" is to answer the following question.

Q#1: I have a question regarding the Young Investigator Program, BAA13-003. There is a discrepancy regarding the proposed start date. One place in the solicitation says we should use May 1, 2013, as the start date, and several other places say we should use May 15, 2013. Can you please reconcile? Page 7: Proposed research should be structured to have a three (3) year period of performance beginning 01 May 2013. Page 11: Assume that performance will start approximately 15 May 2013. Page 11: Start date for budget purposes should be 15 May 2013.

A#1: Use a start date of 15 May 2013.
