

Amendment 0001
Questions and Answers

Brocade Switches Warranty Extension
N00014-11-Q-0002

The purpose of this amendment is to extend the date in which proposals are due and answer questions received by potential offerors.

The date in which quotes are due is extended until 3:00PM Thursday, 9 December 2010.

Q1. Has there been Original Equipment Manufacturer (OEM) Support on the serial numbers provided within the past six months?

A1. No

Q2. What is the point of contact with email and phone number?

A2. This information will be provided at award.

Q3. Will they let us onsite to perform Field Qualification Services (FQS)?

A3. The current warranty has expired. Offerors should include the cost for Field Qualification Services (FQS) in the quote submission.

Q4. What security clearance is needed?

A4. Secret level is preferred but not required. Regardless, they would be escorted by ONR personnel.

Q5. What is the current address/location where the equipment is located?

A5. ONRHQ (875 North Randolph Street, Arlington, VA 22203)
