

Pre-solicitation Notice: 15-SS-0012

Description: NOTICE OF INTENT TO AWARD A SOLE SOURCE

The Office of Naval Research (ONR) intends to issue a Firm Fixed Price award under the authority of FAR 6.302-1(a)(2)(iii), "Only one responsible source and no other supplies or services will satisfy agency requirements," on or about 17 February 2015 to the Raytheon Company (Raytheon). The period of performance will be twelve months from the date of award.

The prospective contractor shall modify Raytheon Advanced Targeting Forward Looking Infrared (ATLIR) Electro-Optical/Infrared (EO/IR) sensors and provide associated engineering support services for the installation of the sensors, test planning, test support and uninstalling sensors as required.

ONR intends to award this requirement as a sole source to Raytheon because Raytheon is the sole provider of ATFLIR EO/IR sensors for F/A-18 aircraft. As the contractor that designed and built the equipment of interest, they are uniquely qualified to provide the required hardware installation, data collection and analysis services.

The North American Industry Classification System (NAICS) code for this requirement is 541330. This notice of intent is not a request for proposals or quotes; however, all responsible sources may submit a quotation and technical capabilities, which, if received within fifteen calendar days of publication of this notice, shall be considered by ONR. All responses must be submitted to the Government point of contact at the email address shown below. A determination by the Government not to open the requirement to competition based upon the responses to this notice is solely within the discretion of the Government.

Contracting Office Address:

Department of the Navy, Office of Naval Research (ONR), Code – ONR BD254, 875 North Randolph Street, Arlington, VA 22203-1995

Government Point of Contact: Joe Cloft, PHONE: 703-696-0989, EMAIL: joseph.cloft@navy.mil
