

Pre-solicitation Notice: N00014-15-R-SS21

Description: NOTICE OF INTENT TO SOLICIT FROM A SINGLE SOURCE

The Office of Naval Research (ONR) intends to issue a Firm Fixed Price award under the authority of FAR 13.106-1(b) "Contracting officers may solicit from one source if the contracting officer determines that the circumstances of the contract action deem only one source reasonably available," on or about 15 July 2015 to Arizona State University (Contractor). The period of performance will be from August 01, 2015 through 31 October, 2015. The estimated award value is \$49,998.00.

The prospective contractor shall provide academic survey of the Cyber Resiliency of the Total Embedded Systems Platform.

ONR intends to award this requirement as a sole source to Arizona State University. Arizona State University is uniquely qualified as subject matter strengths in cyber vulnerability analyses, web security, mobile security, and cyber hacking prevention.

The North American Industry Classification System (NAICS) code for this requirement is 541690. This notice of intent is not a request for proposals or quotes; however, all responsible sources may submit a quotation and technical capabilities, which, if received within fifteen calendar days of publication of this notice, shall be considered by ONR. All responses must be submitted to the Government point of contact at the email address shown below. A determination by the Government not to open the requirement to competition based upon the responses to this notice is solely within the discretion of the Government.
